

University of Nevada, Reno

School of Community Health Sciences

Faculty Position Available

Assistant Professor, Epidemiology (1 position available)

The University of Nevada, Reno, School of Community Health Sciences, is seeking candidates for a full-time faculty position in Epidemiology. Research and teaching interests in chronic disease or cancer epidemiology are preferred, but not required. Duties include: providing assistance in Epidemiology programs within the School of Community Health Sciences, teaching successfully and advising graduate and undergraduate students, securing extramural funding, conducting scholarly activity, engaging in community and professional service appropriate to a university faculty member, and supporting the mission, philosophy, and objectives of the University of Nevada, Reno. For complete position description and requirements, <http://jobs.unr.edu>. You may also contact Bonnie Coker at sph@unr.edu for additional questions. Application reviews will begin October 15, 2009. For full consideration, please complete your application prior to October 15, 2009.

The University of Nevada is committed to EEO/AA in recruitment of its students and employees and does not discriminate on the basis of race, color, religion, sex, age, creed, national origin, veteran status, physical or mental disability, or sexual orientation. The University of Nevada employs United States citizens and aliens lawfully authorized to work in the United States. Women and under-represented groups are encouraged to apply.
