1505 Race Street, MS660
11th Floor, Room 1117, Bellet Bldg.
Philadelphia, PA 19102

Office: (215) 762-1459, Fax: (215) 762-4088
E-mail: Randy@Drexel.edu

Date: July 2006

PERSONAL DATA

Birthplace: Johnstown, Pennsylvania, United States
Citizenship: United States

ACADEMIC TRAINING

- 1986 University of Pennsylvania, College of Arts and Sciences
Bachelor of Arts in Biology
- 1988 University of Pennsylvania, Wharton School of Business
Master of Arts in Public Policy and Management
- 1991 Harvard University, Harvard School of Public Health
Master of Science in Health and Social Behavior
- 1995 Harvard University, Harvard School of Public Health
Doctor of Health Policy and Management, and Health and Social Behavior (ScD)
Dissertation Title: Defining and Measuring Sexual Orientation for Public Health Research

TRAINEESHIP

- 1995-96 Columbia University, College of Physicians and Surgeons
Department of Medicine, Division of General Medicine
Postdoctoral Primary Care Research Fellowship
- 2002-07 Health Disparities Loan Repayment Program
National Center on Minority Health and Health Disparities, National Institutes of Health

PROFESSIONAL ORGANIZATIONS

- 1994- American Public Health Association
- 1996- Academy for Health Services Research and Health Policy
- 2002- Gay and Lesbian Medical Association

ACADEMIC APPOINTMENTS

- 2006- Associate Professor
Drexel University School of Public Health, Department of Community Health and Prevention
Philadelphia, PA

- 2004-06 Assistant Professor of Clinical Sociomedical Sciences
Columbia University, Mailman School of Public Health, Department of Sociomedical Sciences
New York, NY
- 1997-04 Assistant Professor
Columbia University, Mailman School of Public Health, Department of Sociomedical Sciences
New York, NY
- 1999-02 Acting Director, Program for Lesbian, Gay, Bisexual and Transgender Health
Columbia University, Mailman School of Public Health, New York, NY

GRANT SUPPORT

Present Support

- 2002-07 Principle Investigator (Drexel University), Ford Foundation, “Increasing Lesbian, Gay and Bisexual Visibility through Data Collection.” Integrating sexual orientation variables into the data collection and information systems of the New York City and Boston Departments of Health and conducting a process evaluation.
- 2003-06 Co-Investigator (Drexel University), Health Resources and Services Administration, “New York/New Jersey AIDS Education and Training Center.” Examining the cost-effectiveness of the delivery of educational and training services by subcontracted sites in New York and New Jersey.

Past Support

- 2005-06 Co-Investigator (Columbia University), National Institute of Mental Health, “Columbia Center for Homelessness Prevention Studies.” Provided technical assistance concerning cost-effectiveness and decision analysis methods to the Center.
- 2002-06 Co-Investigator (Columbia University), Health Resources and Services Administration, “An Internet-Based Technology to Reduce Prescription Errors with HIV/AIDS Anti-Retroviral Medications.” Determined the cost-effectiveness of an intervention to reduce HIV/AIDS anti-retroviral prescription errors.
- 2002-06 Principal Investigator (Columbia University), Research Triangle Institute, “Tobacco Use in Lesbian, Gay, and Bisexual Populations.” Advised the Office on Smoking and Health at the Centers for Disease Control on the collection of data related to smoking and smoking cessation among lesbians, gays and bisexuals. Designed and analyzed a survey of lesbian, gay and bisexual physicians concerning smoking, and conducted secondary data analyses to examine the prevalence of smoking in these populations.
- 2003-05 Principle Investigator (Columbia University), Columbia University Center for Youth Violence Prevention, “Sources of and Institutional Responses to Anti- Gay, Lesbian and Bisexual Youth Violence.” Designed, implemented and analyzed data from a community survey to assess the sources of and institutional responses to violence against gay, lesbian and bisexual youth. Data were used to improve service delivery in the community.
- 1996-02 Co-Investigator (Columbia University), Health Resources and Services Administration, “Special Projects of National Significance Program Evaluation and Technical Assistance Center.” Constructed data collection and analysis plans and provided technical assistance concerning cost and cost-effectiveness analysis to 34 HRSA and HUD funded HIV service demonstration sites.

- 1999-02 Co-Investigator (Columbia University), National Cancer Institute, "Dissemination of Colorectal Cancer Screening to Primary Care Physicians." Constructed a cost-effectiveness analysis to determine the efficiency of disseminating colorectal cancer screening information to primary care physicians in community settings.
- 2000-01 Principal Investigator (Columbia University), Office of the Assistant Secretary for Planning and Evaluation, "Sexual Orientation Data: Inclusion in Information Systems and Databases of the Department of Health and Human Services." Researched and wrote a report discussing how to collect sexual orientation data in the context of existing information systems and databases.
- 1999-00 Principal Investigator (Columbia University), Health Resources and Services Administration, "White Paper on Lesbian, Gay, Bisexual and Transgender Health." Led a team of writers to produce a white paper on the health of lesbian, gay, bisexual and transgender people in the U.S.
- 1993-95 Research Assistant (Harvard Medical School), Centers for Disease Control, "The Cost-Effectiveness of Tuberculosis Control Programs." Developed a model to examine the cost-effectiveness of public programs to control tuberculosis in people with HIV/AIDS.
- 1992 Policy Analyst (Health Systems Research), Agency for Health Care Policy and Research, "HIV/AIDS Clinical Practice Guidelines." Investigated policy implications of clinical practice guidelines for adherence to tuberculosis treatment for people with HIV/AIDS.
- 1989-90 Policy Analyst (Project HOPE Center for Health Affairs), National Center for Health Services Research, "AIDS Services Cost and Utilization Survey." Developed prospective cost and utilization data collection protocol to be implemented at eight sites.
- 1989-90 Policy Analyst (Project HOPE Center for Health Affairs), Health Resources and Services Administration, "Evaluation of the AIDS/HIV Service Demonstration Grants Program." Developed quantitative evaluation protocol, analyzed results of data collection, and assisted in report preparation.
- 1989-90 Policy Analyst (Project HOPE Center for Health Affairs), National Institute of Child Health and Development, "AIDS Risk Reduction and Condom Use in a National Sample." Analyzed Project HOPE international survey for evidence of AIDS risk reduction and condom use.
- 1989-90 Policy Analyst (Project HOPE Center for Health Affairs), National Institute of Mental Health, "Analysis of AIDS Behavior Change in a National Sample." Analyzed Project HOPE international survey for evidence of behavior change.
- 1988-90 Policy Analyst (Project HOPE Center for Health Affairs), Health Resources and Services Administration, "Measuring the Utilization and Costs of AIDS Health Care Services." Developed data collection protocol, assisted in site visits, collected and analyzed data, and assisted in report preparation.
- 1988-89 Policy Analyst (Project HOPE Center for Health Affairs), American Foundation for AIDS Research, "Content Analysis of AIDS Educational Materials." Developed data collection protocol, collected and analyzed data detailing the content of a sample of AIDS educational materials, and assisted in report preparation.

UNIVERSITY COMMITTEES

- 2006- Drexel University
Institutional Review Board Alternate Member and Student Subcommittee Member
- 2004-06 Columbia University, Mailman School of Public Health, Department of Sociomedical Sciences,
Director of the Research Track.
- 1999-06 Columbia University, Mailman School of Public Health, Department of Sociomedical Sciences,
Doctoral Student Selection Committee and Reviewer of Applications for Masters Student Research
Track.
- 1999-06 Columbia University, Mailman School of Public Health, Department of Sociomedical Sciences,
Doctoral Methods Examination Committee.
- 2001 Columbia University, Mailman School of Public Health, Department of Sociomedical Sciences,
Faculty Development Committee.

TEACHING EXPERIENCE

- 2003-06 Columbia University, Mailman School of Public Health, "Decision Analysis: Making Decisions in
Public Health and Medicine." Developed and taught a course on methods related to Decision and
Cost-Effectiveness Analysis.
- 2001 Columbia University, Mailman School of Public Health, "Advanced Research Methods and
Analysis." Taught a course on the appropriate use of advanced statistical methods and program
evaluation designs.
- 1998-00 Columbia University, Mailman School of Public Health, "Technology Assessment and Economic
Evaluation." Developed and taught a course on the methods and use of economic evaluations in
health care.
- 1997-00 Columbia University, College of Physicians and Surgeons, "Medical Economics." Developed and
taught a seminar on cost-effectiveness to fourth year medical students.
- 1996 Columbia University, College of Physicians and Surgeons, "Homosexuality and Health."
Developed and taught a course for second year medical students examining the links between
sexual orientation and health.
- 1994 Harvard University, Harvard College, "Homosexuality and Society." Assisted in syllabus
development, lecture preparation, and lecturing for undergraduates.

ADDITIONAL PROFESSIONAL ACTIVITIES*Editorial*

- Journal of LGBT Health Research, editorial board member
American Journal of Public Health, peer reviewer
Journal of the Gay and Lesbian Medical Association, peer reviewer
Journal of Lesbian and Gay Social Services, peer reviewer
Journal of Women and Health, peer reviewer
Journal of Homosexuality, peer reviewer
Preventive Medicine, peer reviewer

Community Service

- 2003- Syphilis Advisory Group, Bureau of STD Control, New York City Department of Health and Mental Hygiene
- 2002- Experts Panel Member, Gay and Lesbian Medical Association, San Francisco, CA
- 2000- Founding Member and Advisor, National Coalition on Lesbian, Gay, Bisexual and Transgender Health, Washington, DC
- 1998-02 Board Member (Board Chair 1999-2001), New York Peer AIDS Education Coalition New York, NY
- 2000-01 Lead author on two chapters, Healthy People 2010 Companion Document on LGBT Health San Francisco, CA
- 2001-02 Co-Chair, New York City Department of Health's Gay Men's Health Promotion Task Force New York, NY

Consultative

- 2005 Consultant, National Center for Health Statistics, "Cognitive Testing of Sexual Orientation Variables." Assisted in the development and cognitive testing of sexual orientation questions for Centers for Disease Control funded surveys.
- 2000-04 Consultant, National Institute on Drug Abuse, "Maintenance Treatment for Prevention of Smoking Relapse." Designed and monitored data collection for a cost-effectiveness analysis of a state of the art smoking cessation maintenance treatment program.
- 1999-01 Consultant, Kaiser Family Foundation, "Survey on Polyamory." Designed and helped analyze a survey examining the demographics, health and political concerns of people living in polyamory relationships.
- 1999-01 Consultant, Kaiser Family Foundation, "Survey on Attitudes Toward Sexual Orientation." Designed and helped analyze a national probability survey with oversampling of lesbians, gays and bisexuals analyzing attitudes toward homosexuality.
- 1994-95 Consultant, Institute for Urban Health Policy and Research, "HIV Prevention and Education Needs Assessment." Developed and implemented a process evaluation of an HIV prevention needs assessment of Boston, Cambridge and Somerville.
